USK2 Curriculum Map -Term 1 / Autumn 2

(ABC)

English

In English we will practice our letter sounds and work on letter formations through handwriting. We will focus on sentence creation, spelling and reading skills within our theme of food and farming. The students will practice writing and reading about farming and growing food.

2+3=5

Maths

In Math, our focus will be on shapes, number concepts and measuring all things food! For measure, we will use different measuring units to see how long or short our food is. We will look for shapes in different foods and see how many kinds of food we can grow in school.

أب ت

Arabic

خلال الجزء الثاني من الفصل الدراسي الأول، سندهب في رحلة إلى الفضاء نتعرف خلالها على الرائد هزاع المنصوري، وماهي أدوات الفضاء. كما سنتعرف على بعض المفاهيم الحياتية من مثل: قليل وكثير، خفيف وثقيل من خلال القيام ببعض الأنشطة المناسبة والممتعة. بالإضافة إلى ذلك سنحتفل مع المدرسة بيوم العلم، واليوم الوطني ويوم العلوم.

كتاب

Islamic

سنتعلم هذه الفترة الركن الأول من أركان الإيمان: الإيمان بالله ومن خلالها سنتعلم أن الله ربي ورب العالمين وهو خالقنا، أن الله سبحانه وتعالى وهبنا الحواس الخمس وما هو واجبنا تجاه هذه النعم. وسنبدأ في قراءة وترديد سورة الاخلاص.

أب ت

Social studies

في الخريف الثاني، سيكمل الطالب ارتباطه بدولته الإمارات من خلال التعرف على الأكلات الإماراتية الشعبية، حيث سيتعرف على أهم المأكولات الشعبية الإماراتية منها الهريس، اللقيمات، الجباب، وغيرها. كما سيتم ربط هذه المأكولات الشعبية بالإحتفالات الوطنية التي تبرز عادات وتقاليد المواطن الإماراتي، ومن خلالها سيتطرق الطالب للتعرف على الزي الإماراتي. ثم سننتقل للتعرف على أهم الإحتفالات الوطنية التي تشهدها الدولة كيوم العلم، يوم الشهيد، واليوم الوطني الإماراتي.

كرة

PE

Motivating students for constructive play by creating puppets show whose goal is focus on waiting, taking turns between students and meaningful team play and improve movement co-ordination, **(Cooperative Character Building by Using Our P.E Funny Character-(ZIKO).**

USK2 Curriculum Map -Term 1 / Autumn 2

Science

In Science, we will tie our food theme into our lessons by attempting to grow vegetables in class. We will track progress and see what environments our food grows best in and what is needed for our food to grow in a healthy way. We will take a closer look at food that is grown below ground.

Life skills

Life skills this term, will focus on following recipes, measuring food items using measuring cups and spoons, and classroom jobs to make our classroom a healthy and fun place to be.

Music

Our focus is on looking at the following ideas through music: Fast/Slow

We will celebrate UAE National Day as well as performing together for special events.

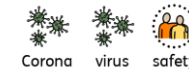

Art

This half term the students will have fun working on large papers, exploring collage cut and glue to create fruits and vegetables. Also, will practice drawing and painting things we like to eat. We will also focus on free-hand drawing to practice good hand grip.

Computer safety

E-safety will be practiced within our IT unit which will start with typing and computer skills this term. We will incorporate our food theme in lessons by typing lists of food items. We will also continue to look at being safe on the computer.

Corona virus safety

We are happy to continue practicing handwashing skills and frequent sanitizing.

USK2 Curriculum Map -Term 1 / Autumn 2

Homework Ideas

Short task ideas (up to 15 Minutes)

- Research what fruit and vegetables grow under the ground
- Discover online what animals are found in farms in the UAE
- Measure shapes that you can find at home
- Let your child help you by measuring ingredients when you are baking or cooking
- Allow your child to experiment and play with measuring cups and spoons in water and sand

Longer Project ideas

- Grow plants in your garden and measure their height every second week.
- Do you have pets at home? Measure their height and weight
- Build different vegetables with playdoh and make your own pretend farm.
